

As part of our ongoing commitment to
**Social Justice & Social
Concerns**

we can be better citizens by becoming
active in the political arena.

How you can help:

- ❖ At the direction of our diocesan Respect Life Office, you will be contacted by e-mail as part of the ***Catholic Advocate Network (CAN)***.
- ❖ You will be asked to contact specific legislators or other authorities with your pro-life view on a particular piece of legislation or issue.
- ❖ You will receive all the information you need to make the contact, whether you prefer to call, write, fax, or e-mail.
- ❖ You can then choose whether to take action, or not.
- ❖ Typically, you would be called to action eight to ten times per year, with February usually being the busiest month.
- ❖ Your e-mail address will not be shared with anyone for any other purpose.

We **CAN** make a difference. We **MUST**.
