

Other Ministries

Throughout the year there are many opportunities for parishioners to share their time and talent. Some of these include:

Deliver Aluminum Cans to Recycler:

Scheduled two to four times a year. Each time, you will be assigned a one-week period when you will be in charge of the cans. You will have to make one or two deliveries during that time. You need a pickup. The proceeds support Little Parish and Youth ministries.

Locksmith? Roofer? Electrician? Something else? Are you willing to donate services or materials to the church? Contact: Susan.

Nursery Worker (Evenings):

Make reminder calls to volunteers:

You will be provided with a list of parishioners who have signed up to help at an event such as the Parish Dinner or serving at the Banquet. You will make a call reminding them of the time, etc. of their commitment.

Or make welcome calls:
