## FAMILY FORMATION AT HOME

Catholic parents are to be the primary educators of their children in the faith! At the heart of all religious formation is the home: the domestic church as St. Pope John Paul II calls it. Discussion about the faith at home. We aim to help provide the backbone for your families spiritual formation and cover all the major tenets of our Catholic Faith. Pope John Paul II said. "Families, become who you are." The teachings given in our lessons help you become the domestic churches you are called to be.

The weekly Religious Education classes at St. Michael exist to help you, the family, in the spiritual development of your children, the future of our Church. By devoting class time and approximately one hour per week to the lessons throughout the school year, faith within your family will soon become a way of life. HS and Jr. High Classes are on Wednesday's from 7:00-8:30 pm. We will begin with Mass for the first half of the year, as our lessons will be aimed at a better understanding of the Mass. A variety is offered to strike a balance between the educational needs of the youth and service to teach faith in action. Please consult your student's calendar for the correct time, day and location.

## COMMUNICATION, CANCELLATIONS AND CHANGES

We will primarily use FLOCKNOTE for communication. Sign up info is below! Sometimes it becomes necessary to change the schedule, especially during a pandemic. Check the Youth Ministry section of the bulletin each week for reminders and updates. Dates and times are also kept current on St. Michael's website: www.stmichaelsfsd.org. If a session needs to be cancelled due to inclement weather, that decision will be announced by 3:00 PM. If we are having a session and you feel uncomfortable with the weather, use your own discretion about bringing your child/ren.
