**Confirmation Candidate and Sponsor Activity 4 and Letter**

Sponsors and candidates are asked to meet and discuss the topics below in relation to each of their lives. While the expectation is for you to discuss from your hearts, you do not need to record personal details in this report. A simple summary that the Candidate can share with others is sufficient. Use the back or another sheet as needed.

1. Discuss; what are some challenges to your faith that you have experienced (past or present)? How have you already faced or do you plan to face these challenges? Share the challenges and plan to face the challenges here

2. Share the highest point on your faith journey and the parts of the faith that you love the most. Share those here
