## **FAMILY FORMATION AT HOME**

At St. Michael we are enabling Catholic parents to be the primary educators of their children in the faith!

At the heart of all religious formation is the home: the domestic church as Pope John Paul calls it. Home lessons provide the backbone for your families spiritual formation and cover all the major tenets of our Catholic Faith. Pope John Paul II said. "Families, become who you are." The teachings given in these lessons help you become the domestic churches you are called to be.

By devoting approximately one hour per week to the lessons throughout the school year, faith within your family will soon become a way of life. Lessons will include a variety of hand-on activities for the whole family with memory verses. It may include suggested audio cassettes/CDs, stories, games and seasonal booklets to aid you in developing family liturgical traditions.
